

DO YOU HAVE DRAIN FLIES OR DRAIN ODORS?

BIO-1000 TO THE RESCUE!

Five strain enzymes that prevent solid food waste and grease buildup in drain systems and grease traps. Kills bacteria where drain flies live and breed. Keeps your drains flowing freely by emulsifying heavy grease, calcium and food waste. Also removes foul odors around drains, urinals and carpets.

- Contains enzymes that break down stains, oils, grease and smells!
- Makes cleaning easier without harming the environment!

BIO-1000
